

haunted house

Jann

You wake me up at night
You play main role in my dreams now

Oh anytime you come crying I just want my heart back

'Cuz if you don't want it I might try and learn to love again

I don't want to let you go so I give you mine instead

How foolish, of me need to believe it was a good try

How can we live apart when my heart beats in your chest
And your heart, in my chest

We're each other's ghost
We trapped in this haunted house for life

I really want to leave
But it keeps pulling me back inside.
