

Gentlemen Take Polaroids

Japan

Now there's a girl about town
I'd like to know
I'd like to slip away with you
And if you said you love me
How could I mind?
Is there another side to everything you do?

Take in the country air, you'll never win

Gentlemen take polaroids
They fall in love, they fall in love

Breathe life into me
Spin me around
And I'll just sit and wonder why
It's just a foreign town with a foreign mind
Why is everything so cut and dry?

The taste of country air, you'll never know

Gentlemen take polaroids
They fall in love, they fall in love

Take in the country air, you'll never win

Gentlemen take polaroids
They fall in love, they fall in love
