Darkness On The Edge Of Gastown

Japandroids

```
Tell her
She wears too much neon
Tell her
It's hanging off her bones
Tell her
That's all she is
New ways to wear old clothes

Tell her
That I'm staying thin
Tell her
That I'm staying inside
Tell her
When I think about her

Tell her
That I can see the future
Tell her
That her future is bleak
Tell her
That I'm the future

Tell her I'm still alive
Tell her I'm still in love
Tell her to come pick me up
Tell her I'm downtown
In the darkness on the edge of Gastown
Darkness on the edge of Gastown
```
