

Lavender Girl

Jarboe

There's patchouli, spanish blossom, frankincense, and
rose
I'm lavender, lavender
There's cedarwood, champa, musk, and myrrh
I'm lavender, lavender
I was smoldering then you breathed deep
May your soul be free now my smoke is sweet
There's sandalwood, lilac, magnolia
I'm lavender, lavender
Ylang ylang, jasmine, amber
I'm lavender, lavender
I was smoldering then you breathed deep
Now our soul is free and our smoke is sweet
Lavender, lavender
