

# Impossible Possible

Jared Anderson

Come all you weary ones  
Come all you thirsty sons  
Come to the water  
The water that never runs dry

Come all you crooked thieves  
Cast your cares and believe  
He is the water  
The water that never runs dry

Jesus makes the impossible possible  
Jesus makes the incapable more than able  
If you call He will answer  
If you seek you will find  
He is the water  
The water that never runs dry

Come all you tattered saints  
Double-mined and afraid  
Come to the water  
The water that never runs dry

Come all you broken down  
Put your feet on His solid ground  
Receive the water  
The water that never runs dry

Taste and see, come and drink of the water  
He is all that we need (2X)  
He is all that we need
