

The King Is Coming

Jared Anderson

Empty hearts are filling up
Wicked ways are coming undone
Every eye is looking out for You

City lights are burning out
Freedom's song is ringing loud
Dead men are waking up to the sound of You

And all our hearts can sing

Make a way for
Make a way for
Make a way for the King
The King is coming! (2x)

Split the sky with your glory
Bring to life an awakening
Burn away everything thats not for You

Hear our voices crying out
We wont stop till the heavens come down
We wont stop till every knee bows to You

And all our hearts will sing

Make a way for
Make a way for
Make a way for the King
The King is coming! (2x)

Open up the doors
Open up the doors
Open up the doors
Our King is coming (2x)
