Enemy

Jared Evan

I, I criticize myself (oh)
I'm cry, I'm crying out for help
Oh, oh yeah

It's like I can't do nothing, I can't do nothing right
Everybody wanna tell me something
They wanna tell me how to live my life
They wanna take away my trophies
Nobody want me to win no more, I'm trying to tell my story
But it feels like I'm being ignored
Cause I'm my own worst enemy
Enemy
I'm my own worst enemy

Lie, it's like I'm lying to myself
I must be high, from all the gas they spill
Oh, oh yeah

It's like I can't do nothing, I can't do nothing right
Everybody wanna tell me something
They wanna tell me how to live my life
They wanna take away my trophies
Nobody want me to win no more, I'm trying to tell my story
But it feels like I'm being ignored

Cause I'm my own worst enemy
Enemy
I'm my own worst enemy

I'm my own worst enemy
I'm my own worst enemy
Enemy
I'm my own worst enemy
Enemy
I'm my own worst enemy
Enemy
I'm my own worst enemy
Enemy
I'm my own worst enemy
