Tidal Wave

Jared Evan

Feels like this when you're stressed out
Hit my head on the way down
It's a maze when you get down
I'm already lost
The wave it'll come down
I'm not able to get out alive
Oh oh

Feels like this when you're stressed out
Kinda want to take a pill when I sit down
Everybody wanna claim they the best out
But for years I've been feeling like I'm next now
Give it a rest now
Selling feelings and they go to my brain
It's such a crime cause it makes me insane
It's such a venomous game
And everybody wanna do it in vein
I swear to God that
I would never ever do it the same
To get around
Tell me where to bounce
None of these sessions are calming me down
I ain't got time just to get lost
They f*cking up my mind when they get going
Grab hold, they just be fueling my pain
Feel like I'm caught in a drain
I'm just a stain, I'll use up all of my faith
As long as I could hold my place, hey

Feels like this when you're stressed out

Hit my head on the way down
It's a maze when you get down
I'm already lost
The wave it'll come down
I'm not able to get out alive
Oh oh

When your head weighs a ton
And you wanna pick it up
But it falls down to the floor
And you're on the boulevard
Of your soul, it's so
Empty when you look around
Oh oh

Top of the rain storm
And I'm coming through the clouds
In the same zone
Catch me in the sky when the rain fall, rain coat
Able to sink but ima drown if I stay afloat
That's how the game goes
Maybe it'll change though
My feelings
Maybe I'm like Wayne though
No ceiling
I ain't gotta slide when I'm home

Just to get me on the base
Finish up the race, hey

Feels like this when you're stressed out
Hit my head on the way down
It's a maze when you get down
I'm already lost
The wave it'll come down
I'm not able to get out alive
Oh oh
