

Nobody Else

Jarreau Vandal

Nobody Else, Nobody Else, Nobody Else, Nobody Else
Nobody Else, Nobody Else, Nobody Else

I was feeling down the other day
And nothing else could pull me out of it
But the thought of you
Being a call away

And ever since the indiscretion, confession
Left me with a session of begging
My only one concession, expressing
How I need you so much

A hit of your love (just want a hit, just want a hit)
Give me your love (you are legit, it's not fun to play)
Playing me now (just want a hit, just want a hit)
Give me your love (just want a hit)

I want you to know
That you are the one I want
And I been having withdrawals
When you're gone
So don't leave me alone
Cause you are the one I want
I can never recall
When you're gone

I want you to know
I want you to know
Don't leave me alone
Don't leave me alone

Can I get a, Can I get a, Can I get a, Can I get a
Can I, Can I, Can I get a
Can I, Can I, Can I get a
Can I get a, Can I get a, Can I get a, Can I get a
Can I get a, Can I get a, Can I get a, Can I get a

Hit of your love (just want a hit, just want a hit)
Give me your love (you are legit, it's not fun to play)
Playing me now (just want a hit, just want a hit)
Give me your love (just want a hit)

I want you to know
That you are the one I want
And I been having withdrawals
When you're gone
So don't leave me alone
Cause you are the one I want
I can never recall
When you're gone

I want you to know
I want you to know
Don't leave me alone
Don't leave me alone
