

Obsessive

Jarreau Vandal

I can't front
I've been spending way too much (too much)
Mastercard on minus cuz
All of this expensive stuff
I can't lie
I've been getting way too high
First class up in the sky
Any dream that I can buy (yeah, yeah, yeah)

I tried to hold it down
I really tried my best
Caught up in the life of living in excess
But everytime I get a little close
The need of more can't leave me alone

I'm obsessive
So obsessive
Once I taste it
No I can't get enough, no

I'm obsessive
So obsessive
Once I taste it
No I can't get enough, no

I'm obsessive
So obsessive
Once I taste it
No I can't get enough, no

No joke
Tired of being with these hoes
Know I've got a girl at home
But I get lonely on the road
Oh
Oh why
Why you trying to waste my time?
You know how I be sometimes, never get you off my mind

I tried to hold it down
I really tried my best
Caught up in the life of living in excess
But everytime I get a little close
The need of more can't leave me alone

I'm obsessive
So obsessive
Once I taste it
No I can't get enough, no

I'm obsessive
So obsessive
Once I taste it
No I can't get enough, no

(Ooo) I can't get
(Ooo) I can't get

(Ooo) I can't get, I can't get enough

(Ooo) I can't get

(Ooo) I can't get

(Ooo) I can't get, no I can't get enough

I'm so obsessive

So obsessive

Once I taste it

No I can't get enough, no

I'm so obsessive

So obsessive

Once I taste it

No I can't get enough, no
