I can wrestle a hurricane
Ain't no mercy I murk you lames
Clear the way bitch I'm merging lanes
In this bitch with the murder gang
Same guns that killed Kurt Cobain nigga

Come as you are, as you were
As I want you to be
As a friend, as a friend
As a known enemy

I pull up on niggas like John Wick
Army guns with the drum kits
Dick in the palm of this blonde bitch
The Bully I come for the conflict
I will stick this knife inside your arm pit
I woke up like this I was born sick
In between her legs till her groin rip
I get head like a coin flip
Rappers will leave in a bag
Niggas ain't fucking with me that's a fact
If you think that you are man you reaching that's cap
I fuck a bitch on the beach in Iraq, ooh
These niggas new slaves, put him in the dirt hit your toupee
Send ya bitch a bouquet, the wolves gotta eat y'all soufflé
Caught a couple L's "that's cool J," now I bounce back pouring D'usse
Turn up on a Tuesday, in a bitch mouth like a tooth ache
Squares want beef that's cube steak, K kick push like Lupe
The 9 hold 6, 4 deuce tray

Come as you are, as you were
