

## Losin' It

Jarren Benton

??? in this two ton bage  
I'm ill enough to fuck a fat bitch with full blown AIDS  
When I meet you I'ma greet you, put my dick in your face  
I get head then I ask her how the syphilis tastes  
New version of Ike, I put a trick in her place  
Better eat this cake bitch 'fore you get hit in the face  
So freakin' high I feel like I'm sittin' in space  
Pull a knife from my waist and get the lick in the place  
I wake up in the mornin' take a shit and I shave  
Hector, I'm up in this room and jerk my dick in the bed  
Freakin' immature such a prick for his age  
Pull out the hex sword, and you were a dick in his face  
Freebasin' with Kevin Bacon next is Nicolas Cage  
On some idiotic shit, I hit a bitch with a gauge  
Niggas thinkin' they hot, bitch I'm out your fuse  
I've got an indoor pool and an outdoor room

Yeah, I'm losin' it  
So help me I think I'm losin' it  
They say, damn Jarren you losin' it  
I'm on that brass knuckles schoolyard bully shit  
Yeah, I'm losin' it  
So help me I think I'm losin' it  
They say, damn Jarren you losin' it  
I'm on that Deebo backyard bully shit

They say I'm too legit to quit  
I've got this this cyborg bitch  
That got two chips in her tits  
Ménage à trois, now I've got two lips on my dick  
But I ain't fuck 'em cause their tooth smell like tuna fish in chips  
I'm ill enough to break my own legs  
Cram my skull between my legs, then I give myself head (no homo)  
I don't need a doctor, bitch I give myself meds  
Got a whore in the kitchen cookin' cheese grits and eggs  
Walk around town like Night of the Living Dead  
Biceps crazy, I got 'em from lifting kegs  
Label me a bully I got it from ???  
I'm a muthafacka pimp bitch, gotta be getting bread  
Father beams and liver 40's of Guinness Stout  
Nigga you ain't real, you a bitch in a woman's blouse  
Fuckin' retards I'll show you what I'm about  
Dip my dick in broken glass and shove it all in your mouth
