Jarren Benton

[Hook:]

I'm riding dirty in my autobot (autobot)  
I'm doing doughnuts in the parking lot (parking lot)  
I'm sipping hango and I'm smoking pot (smoking pot)  
Bitch you 'bout to blow my high, cause you talk a lot!

What you tell that ho?

Shut up bitch! [x6]

What you tell that ho?

Bitch you 'bout to blow my high  
Leggo

[Jarren Benton:]

Riding in my autobot, sipping coke and cabernet  
Got bitches in my cabin, I'm gon' drug 'em up and shag 'em  
Two shots and they out (out)  
Osama Bin Laden  
Just took down from Mars and now my main bitch won't stop nagging  
Daaamn!  
Shut up Bitch, bddddrrrrr  
Ya' body get wet up bitch  
All you do is nyah nyah nyah nyah nyah  
And now I'm fed up bitch  
I been on the grind like all night long  
Tryna get this bread up bitch  
All you do is shoot a nigga down  
You're fucking my head up bitch

Man fuck that shit (man fuck that shit)

I don't need that ho (I don't need that ho)

In the kitchen with my nigga kato

Whipping up that speaker doe

Flying down the I-20

Headed to that east side blowing reefer smoke

And she won't shut up

So I hit the radio and let the speakers blow

And I'm so wasted off these PBR's

Put a sock in a bitch

Come give a nigga's dick that CPR

Now I'm just riding round and I'm getting it

Can't tell me shit

God damn it I'm grown bitch

I'm not tryna hear it, no

[Hook]

[Jarren Benton:]

Riding in my autobot, heading to Decatur

Money over bitches

They will not come before paper

Outfit taylor

New Chuck Taylors

Bitch I'm so fresh

I'm still in the incubator

My side ho tripping  
Every night she bitching  
Bitch get in the kitchen  
Do the dishes  
Fry some chicken  
Sike, I'm only kidding  
Jarren what you sniffing?  
Every night you run your fucking mouth  
I'm like "bitch zip it"

(Cruising in my autobot I'm leaning to the side)

But you keep popping that shit girl  
Running your lips and blowing my high  
Kato on the track get a hit of this crack  
That shit so fye  
Every time you wah wah wah wah wah  
I'm losing my mind!

It ain't like I like that bitch  
I just want my life back bitch  
Damn you so annoying  
Swear to God  
I wanna fight that bitch  
Left her on the highway and told her  
"I'll be right back bitch"  
I should throw the deuces  
Before I turn around and Ike that bitch!
