

[Verse 1]

Yea, I'm throwin D's on the Cadillac
Riding through the Cader nigga, bumping verb zacarat
You were fuckin' like a faggot, never slung a crumb of crack
Bash your fuckin window in
I drag you like a running back
Tell your mom the zombie's back
Fucking hypochondriac
Gag a bitch and shove her in the dryer at the laundry mat
Cokehead insomniac, sipping on some Cognac
Dude this fuckin album sucks I want my fuckin money back
Disadvantage, I'm schitzophrenic, these bitches panic
Dickin Janice, I'm poppin Xanax and speaking Spanish
Na la cum la la cum pla, I ain't say a word
A fuckin' nerd, I'm riding dirty with the mossburg
I am awkward, I'm sippin cough syrup
I'm high as a martian in a flying saucer
What up to 808 Blake and Mike Whalberg
I punch through the sheet rock and make the wall hurt
Team wolf, I claw a dress and panties off her
Just got a new Lebaron and the seats is all fur
My brains fried, heart's gonoe and my balls hurt
I grab the nine to forty-five and let 'em all squirt
Mr. Benton, bitches said they sick of him
I'm up at Micky Ds, I get an English McMuffin
You hang around all pigs like you McLovin
I shove a freakin prick inside a fuckin brick oven
You niggas fake like mall cop, Paul Blart
I run you over with the shopping cart in Wal- Mart
Hop out the Subaru, huffing a tube of glue
Your girl ring around my dick just like a hula hoop
Minuting through the city in a bullet proof suit
I'm strong enough to rip a fucking roof up off a coup
You wanna play Tupac,
I throw you off the roof and run down and catch you
Tell these niggas jam that got the juice
Somebody call the doctor, Dr. Suess or Dr. Roof
I'm so out of my fucking rocker any fucking doctor do
Holla out the top that's loose and then I smoke a rock or two
And spend a hundred grand on a one- legged prostitute

[Chorus]

Yea I'm going hard nigga, honey baked
Big say more money, more niggas hate
I blow a couple recs, just took an eighth of coke
Now let me show you what it means to be schitzo

[Verse 2]

Doctor call Brad Murray, Bitch I'm known to kill mics
And meet you in your nightmares, and bash you with a steal pipe
Somebody must have laced this heroin cause it don't feel right
Just bought my wife a set of Martha Stewart stainless steal knives
Hey, I'm fuckin talking to you dickhead!
Jarren, he's dead he cannot hear you, idiot
Warming every city strips and grabbing every pretty tits
Yall niggas playing hookie, mister big is really sick
Leave it to Beaver I'm leaving with Beiber with this meat cleaver to his nec

k

And I'm making him eat ether, kick a bitch in the face cause she's a dick te
aser

Did a song with Satan and that's a sick feature

I'm not a human being, I'm a sick creature

Run in every church to murder every sick preacher

Stompin niggas to a siezure , smoking every spliff of reefer

A bully throwing geese off the top bleacher

Fucking schitzo eat the barrel of pistols

I can shit a hand grenade and piss out a missile

Let's play Operation, I want to see blood drizzle

Let's make it real official, this saw will cut through a gristle

I'm so extraordinary sleep inside the mortuary

Wake inside the cemetary, dig up every corpse that's buried

This is so unnecessary, voices in my head, they're scary

Sick of being crazy, God I want to be ordinary!

[Chorus]

Yea I'm going hard nigga, honey baked

Big said more money, more niggas hate

I blow a couple recs, just took an eighth of coke

Now let me show you what it means to be a schitzo

[JarrenTalking]
