Jarrod Alonge

Chivalry is dead! Blegh!

You always go for bad boys  
Bad boys  
You owe me for all the things that I've done  
I was better than everyone  
Don't say I'm like a brother to you  
I deserve more, I have nothing to prove

You know, real men have class and  
Swag is for boys  
I'm not a jerk, I'm not a douche bag  
I don't belong in this friend zone

M'lady, in case you haven't noticed  
I'm a nice guy, I'm a nice guy, bitch

I never gave you up, I never let you down  
I never ran around and deserted you  
I'm entitled to  
Your affection!

If I could make you feel how I felt when you  
Stabbed me in the back, and I could look you in the  
Face with these bloodshot eyes  
This one time, I would say...  
Right to your face, right now  
In this very moment, if I could tell you  
One thing before I walk out the door  
With my last dying breath, I'd tell you...  
Very carefully, without hesitation  
This one thing that I'm going to  
Tell you right now if you only knew how  
Ready I was to say that...  
If I was the last person on earth  
And you were the other last person on earth, then you wouldn't  
Be ready for when these words hit you  
In just a second, I'm gonna do it, here it is...

I don't like you...
