

You left a hole inside my heart  
But now I'm falling apart  
I held the door open for you  
Even though I didn't have to

I was your knight in shining armor

Cut my wrist with my katana, I was your senpai  
Weeping into my fedora, now we say goodbye  
You fell for some Chad, now I feel really bad  
In the end, I just got cucked

I can't describe how sad you've made me  
You used to make me tender tendies  
You studied premarital sex, I honed my skills with the blade  
One day I'll get revenge, nothing personal, kid

A white knight

Cut my wrist with my katana, I was your senpai  
Weeping into my fedora, now we say goodbye  
You fell for some Chad, now I feel really bad  
In the end, I just got cucked

My IQ's really high, and now I wonder why  
In the end, I just got cucked

In this moment, I am euphoric  
Not because of any phony god's blessing  
But because I am enlightened  
By my intelligence  
Milady, I loved you, but I'm stuck in the friend zone  
Milady, I loved you, but I'm stuck in the friend zone

Cut my wrist with my katana, I was your senpai  
Weeping into my fedora, now we say goodbye  
You fell for some Chad, now I feel really bad  
In the end, I just got cucked

My IQ's really high, and now I wonder why  
In the end, I just got cucked
