

Burning Out

Jarryd James

Oh, oh
Oh, I cannot explain it why I cannot contain it
Don't go, no
Believe me when I say it, I really wanna stay

Nobody told me, nobody showed me
How to be strong, how to be stronger than I though I could be

Oh, I'm burning out
Oh, no, we're never gonna get this far again
Surely burning out
Trying 'til we don't know what to do
And oh, I'm burning out
Oh, and we're only gonna mess this up again
Oh, we're burning out
Burning 'til we don't know what to do
Burning 'til we don't know what to do

Falling slowly
The love we had is faded, the light inside was leaving us
Haunting, sure love
For just another day before it's blown away

Nobody told me, nobody showed me
How to be strong, how to be stronger than I though I could be

Oh, I'm burning out
Oh, no, we're never gonna get this far again
Surely burning out
Trying 'til we don't know what to do
And oh, I'm burning out
Oh, and we're only gonna mess this up again
Oh, we're burning out
Burning 'til we don't know what to do
Burning 'til we don't know what to do

I know, I know, I know how it can be
Don't wanna let go, don't wanna say no
To something you need
I know, I know, I know how it can be
When no one else knows
Want to wake that girl
For one another, I know

Oh, I'm burning out
Oh, no, we're never gonna get this far again
Surely burning out
Trying 'til we don't know what to do
And oh, I'm burning out
Oh, and we're only gonna mess this up again
Oh, we're burning out
Burning 'til we don't know what to do
I'm burning out
Oh, no, we're never gonna get this far again
Surely burning out
Trying 'til we don't know what to do
And oh, I'm burning out

Oh, and we're only gonna mess this up again
Oh, we're burning out
Burning 'til we don't know what to do
Burning 'til we don't know what to do
