

# Let It Go

Jarryd James

Down for the late night  
Deep in the low light  
How did we get like that?  
Do we get right, do we get right back?

4 in the morning, daylight crawling  
How did we get like that?  
Do we get right back?  
Do we get right back?

I'm waiting for your call  
I'm waiting for the day  
We realise the things we  
I'm waiting for your call  
I'm waiting for the day  
We realise the things we left behind

I can feel it coming tonight  
Just let me know  
If you're ready to let it go  
I can feel it coming tonight  
Feel it coming tonight  
Are you ready to let it go?

Always creeping in with the summer tide low  
Always feeling it in the wake of sunrise

I can feel it coming tonight  
Feel it coming tonight  
Are you ready to let it go?

Say what you don't like  
Tell it to the moonlight  
So when it all goes down  
You can take it back in the daylight

How does it feel like  
Everything was so right?  
How did we get like this?  
Can we get right back, can we get right back?

I'm waiting for your call  
I'm waiting for the day  
We realise the things we  
I'm waiting for your call  
I'm waiting for the day  
We realise the things we left behind

I can feel it coming tonight  
Just let me know  
If you're ready to let it go  
I can feel it coming tonight  
Feel it coming tonight  
Are you ready to let it go?

Always creeping in with the summer tide low  
Always feeling it underneath the sunrise

I can feel it coming tonight  
Feel it coming tonight  
Are you ready to let it go?

I can feel it coming tonight  
Just let me know  
(If you're ready to let it go)  
I can feel it coming tonight  
Feel it coming tonight  
Are you ready to let it go?

Always creeping in with the summer tide low  
Always feeling it underneath the sunrise

I can feel it coming tonight  
Feel it coming tonight  
Are you ready to let it go?
