## **Thou Lovely Source of True Delight**

**Jars of Clay** 

Thou lovely source of true delight whom I unseen adore Unveil Thy beauties to my sight that I might love Thee more Oh that I might love Thee more

Thy glory o'er creation shines yet in Thy sacred word I read in fairer brighter lines my bleeding, dying Lord Oh my bleeding, dying Lord

'Tis here whene'er my comforts droop and sin and sorrows rise Thy love with cheering beams of hope my fainting heart supplies My fainting heart's supplied

And ah too soon the pleasing scene is clouded over with pain My gloomy fears rise dark between and I again complain Oh and I again complain

Jesus my Lord, my life, my light, oh come with blissful ray Break radiant through the shades of night and chase my fears aw ay

Won't you chase my fears away

Then shall my soul with rapture trace the wonders of Thy love But the full glories of Thy face are only known above They are only known above

Oh come let us adore My bleeding dying Lord
