

# Black Magic

Jarvis Cocker

I woke up in the morning  
And all the bells were ringing  
My eyes could see the glory, baby

Could hear the song they're singing  
You only get to see the light  
Just one time in your life oh, black magic

That blows your mind away  
And takes you somewhere that you wanna stay  
You only get to stay one day, oh, that cold black magic

Is there anything more wretched  
Than to just have caught one sight?  
The eyes that saw the glory have been, have been blinded by the  
light

And it's the true believers that crash and burn  
But there ain't no way I'm ever gonna learn  
Black magic

That blows your mind away  
And takes you somewhere that you wanna stay  
Oh, you only get to stay one day, oh, that cold black magic

We can't escape, we're born to die, but I'm gonna give it a rea  
l good try  
Because nothing comes close and nothing can compare  
To black magic yeah, yeah, yeah

Black magic  
Yeah, yeah, yeah  
Black magic  
Yeah, yeah, yeah

Black magic  
Yeah, yeah, yeah  
Black magic  
Yeah, yeah, yeah

Black magic  
Yeah, yeah, yeah  
Black magic  
Yeah, yeah, yeah...
