

## Theme from 'Likely Stories'

Jarvis Cocker

Round heads and covered ears  
Adult themes and childhood fears  
Unworthy winners and bad losers  
All-night cafes and self-abusers

A baby in a jar  
An old man in a car  
A flame that beneath this room  
A cow jumped over the moon  
And other likely stories

Soft electric care  
The girl was never really there  
There wasn't a woman who swallowed the cat  
Or do you think of that

Children's games and lovers' tiffs  
Home truths and urban myths  
A half-forgotten nursery rhyme  
From a different place and time  
And other likely stories
