

ALMIGHTY SIAH

JASIAH

Bitch, I'm off the X up in this pie
Pull the fucking racks out, now she like me
Fuck with Natti, 'cause that's just unlikely
She wanted her nigga to be like me
Bitch, I'm from the mud, but now I'm icy (now I'm icy)
With no shopping, nigga, like the Psyche (fuck nigga)
I hate being sober, so stop my ice (this bitch is lost for a fuck)
Bitch, I'm off the X up in this pie

Yo, fuck nigga, hoes in the cut, tryna fuck nigga
What nigga, Sally crushing Molly in the dust, nigga
We was up at Four Seasons, turned that shit to horse seasons
I was with a slut and them drugs gave me more reasons

X, Molly, drugs, sex
Pass my partner, he got next
Beat the box, out of dress
Keep your bones out my dress

Bitch, I'm off the X up in this pie (ayy)
Pull the fucking racks out, now she like me
Fuck with Natti, 'cause that's just unlikely
She wanted her nigga to be like me (now she like me)
Bitch, I'm from the mud, but now I'm icy (now I'm icy)
With no shopping, nigga, like the Psyche (fuck nigga)
I hate being sober, so stop my ice (this bitch is lost for a fuck)
Bitch, I'm off the X up in this pie (yeah)
