

Cool

JASIAH

She wanted to fight, I told baby that I'm cool (That I'm cool)
And I been up all night, I been hollering at the moon (At the moon)
And these diamonds on my right, got them wetter than a pool (Than a pool)
And I don't know if I'm right, but I just don't want to lose (Don't want to lose)

Woah, woah, woah, woah, woah, woah, woah
You can see me speedin'
You can see me speed, I'm on the gas
Woah, woah, woah, woah, woah, woah, woah
These other niggas, they tipping-toeing over glass
Woah, woah, woah, woah, woah, woah, woah
I be quarantining, make a way away from them
Woah, woah, woah, woah, woah, woah, woah
And I am
Every time I can't be lacking
And a pretty bitch on my side
You know I need a [?]
And a pretty bitch on my mind
I think that is a bad thing
And a beamer, that two seat, you know it got no backseat
