

DUMB SH!T

JASIAH

(WHIPPED CREAM)

Aye, aye

Aye, aye

Smoke blunts

And do dumb shit

I don't give a fuck

Turn up out in public

Yeah, I'm in a pick-up

Doin' dumb shit

I ain't learned shit in school

But I'm 'bout to get dumb rich

Push through and do dumb shit

I don't give a fuck

Turn up out in public

Yeah, I'm in a pick-up

Doin' dumb shit

I ain't learned shit in school

But I'm 'bout to get dumb rich

Everybody in the pit gettin' hit

Ignorance is bliss, bitch

I ain't tryna learn shit

I'm just tryna get rich, aye

Everybody in the pit gettin' hit

Ignorance is bliss, bitch

I ain't tryna learn shit

I'm just tryna get rich, aye

I don't know what makes sense

And I don't care to make it

I'm on the kill shit, I don't need no aim assist

Juggernaut, armed and dangerous

Blow shit up, tryna blow shit up

I'm a soul-sick fuck like Exorcist

I'ma throw it up, throw it up

Throw it up, throw it up

Smoke blunts

And do dumb shit

I don't give a fuck

Turn up out in public

Yeah, I'm in a pick-up

Doin' dumb shit

I ain't learned shit in school

But I'm 'bout to get dumb rich

Push through and do dumb shit

I don't give a fuck

Turn up out in public

Yeah, I'm in a pick-up

Doin' dumb shit

I ain't learned shit in school

But I'm 'bout to get dumb rich
