Can't clean off the dirty work
Filthiest is the thirty first
Keep me, know it ain't for certain
Throw up, getting the worst
Pull up, I feel my purpose
Throw up, getting the worst
Pull up, I feel my purpose
Can't clean off the dirty work
Filthiest is the thirty first
Keep me, know it ain't for certain
Throw up, getting the worst
Pull up, I feel my purpose
Throw up, getting the worst
Pull up, I feel my purpose

High up and I don't wanna land
All these niggas wanna stick to the clan

Grow up, nigga look at the plans

As long as I ain't feeling myself
So why would I want be sad

Dirty pole like a stripper at work
Black ones so you know I'm on dirt
Broke man 'cause he going in first
Bad bitch giving me all the flirt

Masked up like the thirty first

Keep me, know it ain't for certain
Throw up, getting the worst
Pull up, I feel my purpose
Throw up, getting the worst
Pull up, I feel my purpose
Can't clean off the dirty work
Filthiest is the thirty first
Keep me, know it ain't for certain
Throw up, getting the worst
