

## How else can I put it?

JASIAH

And I hate you  
And I hate you  
Woah, woah  
I fucking hate you  
Woah, woah

And I hate you (Hate you)  
How else can I put it? (Fuck)  
Fucking with my psyche, you gon' have to take this bullet  
I hate you (Hate you)  
Fuck I fucking hate you  
This a breakthrough (Breakthrough)  
Now look what you made me do

Fuck I hate you  
Ooh, said I hate you (Hate you)  
Said I hate you (I hate you)  
Said I hate you  
Yeah, yeah, yeah

Tryna crumble me down  
Why they all in my face?  
How the fuck you wanna make me now?  
Take me down  
Let the bombs fly away  
We at war letting everything out  
So you are now the enemy  
It's fuck you life  
Lets end it  
And I meant it  
And I meant it

And I hate you (Hate you)  
How else can I put it? (Fuck)  
Fucking with my psyche, you gon' have to take this bullet  
I hate you (Hate you)  
Fuck I fucking hate you  
This a breakthrough (Breakthrough)  
Now look what you made me do

Said I hate  
Woah, said I hate you  
Said I hate you  
Said I hate you  
And I hate you
