And then get the fuck out, so get your [?] ready

Goin' off, in this bitch

Suck me off, going hard  
With the saw, for the dick (ho)  
Fuck on your cheek

Put the cock on your mind  
'Cause she love when I spit, wait  
Drink on my dick like some Fiji  
Got this bitch and I made it look easy

Told this bitch I don't want any [?]  
Told this bitch I don't really care 'bout her  
Call me "baby", don't call me your father  
Causing pain when I'm up at the altar  
Love to hate, fucking niggas [?]  
Go gorilla, oh, just like some Bape

Faggot niggas, they can not relate  
Hit the dab and I'm stealin' your mate  
Causin' problems I know they can't take

Don't want love, no, I just want some bang
