

Rebel

JASIAH

I can't breathe
Put your middle fingers up, I'm a motherfuckin' rebel

Fuck the feds, free my motherfuckin' brothers
Fuck them politicians, I'm a motherfuckin' rebel
Fuck the feds, free my motherfuckin' brothers
Fuck them politicians, I'm a motherfuckin' rebel
Put your middle fingers up to the world
Fuck them politicians, I'm a motherfuckin' rebel
Put your middle fingers up to the world
Fuck them politicians, I'm a motherfuckin' rebel, a rebel

Get on my mother fuckin' level
They kicked me out of Hell, bitch, we firin' up the Devil (The Devil)
Fuck the treble, no heavy metal (Ah)
Plant it to your face like a motherfuckin' freckle
Ah, put it to you sideways
You don't wanna die, face down in this driveway
Bitch, you better do what I say
I've been goin' Jason for 13 Friday's

Put your middle fingers up to the world
Put your middle fingers up, I'm a motherfuckin' rebel
Put your middle fingers up to the world
Put your middle fingers up, I'm a motherfuckin' rebel
Fuck the feds, free my motherfuckin' brothers
Fuck them politicians, I'm a motherfuckin' rebel
Put your middle fingers up to the world
Put your middle fingers up, I'm a motherfuckin' rebel, a rebel

Pull up, what's up? The world in shambles
I fist 'em up, they pullin' out, pose
So we pointin' out the window 'cause I really can't go
R.I.P. George Floyd and the other lost souls
Look, a pig, see, he hidin' behind his badge
The world act blind until it reach the masses
You bastards better peep before you die faster
And I can't stop until the Earth is into ashes

Put your middle fingers up to the world
Put your middle fingers up, I'm a motherfuckin' rebel
Put your middle fingers up to the world
Put your middle fingers up, I'm a motherfuckin' rebel
Fuck the feds, free my motherfuckin' brothers
Fuck them politicians, I'm a motherfuckin' rebel
Put your middle fingers up to the world
Put your middle fingers up, I'm a motherfuckin' rebel, a rebel
