If you see a fuck nigga, throw him out, throw him out  
If you see a bitch nigga, throw him out, throw him out  
If you see a Marquess nigga, throw him out, throw him out  
If he keep talkin' shit, bitch, shove his ass up

If you see a fuck nigga, throw him out, throw him out  
If you see a bitch nigga, throw him out, throw him out

Leave a party slumped, I can get you touched  
Talkin' 'bout smoke, we gon' ash 'em like a blunt  
We don't need a tweak, nigga talk a lot  
Stuff his ass up, blunt, drag him out the spot  
Ayy, Naughty, click the gang, bitch, fuck who you came with  
Drop it to your throat, GTA, bitch, who you waste it?  
Blow, blow, I'm insane on my stainless  
Talk behind my back, but in my face, you can't say shit

If you see a fuck nigga, throw him out, throw him out  
If you see a bitch nigga, throw him out, throw him out  
If you see a Marquess nigga, throw him out, throw him out  
If he keep talkin' shit, bitch, shove his ass up

If you see a fuck nigga, throw him out, throw him out  
If you see a bitch nigga, throw him out, throw him out  
If you see a Marquess nigga, throw him out, throw him out  
If he keep talkin' shit, bitch, shove his ass up

If he keep talkin' shit, bitch, shove his ass up  
If he keep talkin' shit, bitch, shove his ass up

They bought the Riverdale, grocery, old blocker out  
Reachin' for my chain, you get a cloud, not a clout  
Boy Scout, he gon' leave with a arts and badge  
Roll his ass up, put him in a sleepin' bag  
Glad bag, get rid of the trash, throw him out  
Who, what, where, I know all they whereabouts  
Don't you be no fool, you nigga not boo  
Green, they don't want no beef, vegan, yeah, they food  
Thought I was security the way I threw him out  
Parking lot, I'ma catch 'em when they comin' out  
Run, nigga, run, run, nigga, run  
Quez got 'em first, now we done, nigga, done  
.223s in the Drac', throw him out, throw him out  
Ain't no real nigga left, it's a drought, it's a drought  
They bought the Riverdale, grocery, old blocker out  
808, Greek Squaw, you know what I'm 'bout

If you see a thug nigga, throw him out, throw him out  
If you see a bitch nigga, throw him out, throw him out  
If you see a Marquess nigga, throw him out, throw him out  
If he keep talkin' shit, bitch, shove his ass up

If you see a thug nigga, throw him out, throw him out
