You so, you so tired, huh, I'm on fire
Wait, I wanna see you on fire, put you like roast on a stake
I won't go for debates, I want your skin on my face
Fuck him, whatever he say, fuck him, whatever he say
You so tired, huh, I'm on fire
Wait, I wanna see you on fire, I'll put you like roast on a stake
I won't go for debates, I want your skin on my face
Fuck him, whatever he say, fuck him, whatever he say (I can't take no more)

I'm a sick, sadistic, twisted, bitch, I'm itchin', itchin' (Uh)
Break his ribs, then take a pencil through the temple with it (I kill 'em all)
Rockefeller, turn a nigga to Jehovah's Witness (Yeah)
Fall back or get murked, he didn't pay attention
He didn't pay attention, so he end up fuckin' missin'
Milk carton, now you famous, nigga, look, you did it (Yeah)
Pissin' on your dead carcass, I love to sniff the scent in (Right)
I never wanna fit in, unless my dick can get in

You so, you so tired, huh, I'm on fire
Wait, I wanna see you on fire, put you like roast on a stake
I won't go for debates, I want your skin on my face
Fuck him, whatever he say, fuck him, whatever he say
You so tired, huh, I'm on fire
Wait, I wanna see you on fire, I'll put you like roast on a stake
I won't go for debates, I want your skin on my face
Fuck him, whatever he say, fuck him, whatever he say

Hurricane, Hurricane like "A Bay Bay"
Smokin' propane, blow it all inside your face (Yeah)
We can't be friends, you'll end up inside a case (Right)
Fuck me, fuck you, everyone inside the ken
You won't ever find escape, they want me to hibernate
I just want Apocalypse to drop so you can die today
I might even know the way, I won't say, no, I can't say (Yeah)
You gon' have to find out while I'm pullin' out this fuckin' K

You so, you so tired, huh, I'm on fire
Wait, I wanna see you on fire, put you like roast on a stake
I won't go for debates, I want your skin on my face
Fuck him, whatever he say, fuck him, whatever he say
You so tired, huh, I'm on fire
Wait, I wanna see you on fire, I'll put you like roast on a stake
I won't go for debates, I want your skin on my face
Fuck him, whatever he say, fuck him, whatever he say

Buddy, back the fuck up, I'm buggin'
Fuckin' out of my head, I'm not fronthing
Junkie, smokin' these cigs 'til my lungs bleed
Shit, man, maybe I do got a problem
Fuck that, ready to jump in my coffin
Don't stand still in the pit, just start sockin'
Fuck with me, I'm killing kill him quick and I ain't stoppin'
I genuinely don't have a bar
You-you're so weak, defeat
I fuckin' break your teeth
Now, what were you saying to me?

Put buddy on a shirt, he R.I.P.
I feel like The Germs 'cause I must bleed
Blood gushin' out my nose like fuckin' pee
You should not have chose to fuck with me
'Cause now shit 'bout to get ugly

You so, you so tired, huh, I'm on fire
Wait, I wanna see you on fire, put you like roast on a stake
I won't go for debates, I want your skin on my face
Fuck him, whatever he say, fuck him, whatever he say
You so tired, huh, I'm on fire
Wait, I wanna see you on fire, I'll put you like roast on a stake
I won't go for debates, I want your skin on my face
Fuck him, whatever he say, fuck him, whatever he say
