

Control

Jasmine Murray

Can you hear that?
My walls are falling down
I wouldn't go back
You're taking over now

I won't try to run
My life I've given all I've got
Then far too long
And I'm not strong enough, it's time to stop

I give You control
Of everything, of all of me
I'm letting go
My heart is free 'cause I believe
Your plan is better than I'll ever know
I would not do it on my own
This life was never really mine to hold
So it's time to be outta control

Oh oh oh oh oh...
(Control)

Can you see that?
I'm falling on my knees
Like a white flag
I am surrendering

Now I see that You got me
And I'm not gonna stress
I trust Your ways for all my days
And let You do the rest

I give You control
Of everything, of all of me
I'm letting go
My heart is free 'cause I believe
Your plan is better than I'll ever know
I would not do it on my own
This life was never really mine to hold
So it's time to be outta control

Oh oh oh oh oh...
(Control)

I'm giving You control (Oh oh oh oh oh)
I'm giving You control (Oh oh oh oh oh)
I'm giving You control (Oh oh oh oh oh)
I'm giving You control (Oh oh oh oh oh)

I feel it in my soul
I'll never be ashamed
I'm losing all control
I'll never be the same
Oh oh oh

I give You control
Of everything, of all of me

I'm letting go
My heart is free 'cause I believe
Your plan is better than I'll ever know
I would not do it on my own
This life was never really mine to hold
So it's time to be outta control

Oh oh oh oh oh...
(Control)

I'm giving You control (Oh oh oh oh oh)
I'm giving You control (Oh oh oh oh oh)
I'm giving You control (Oh oh oh oh oh)
I'm giving You control (Oh oh oh oh oh)

Oh oh oh oh oh...
