

Funny

Jasmine Thompson

The curtains are closed now, nothin' to see
But a dozen dying roses at our feet
Your timin' is perfect, ironic to me
Showin' up the moment that you shouldn't be, oh

Last time I checked
You're the one that left
Last words you said
That you couldn't care less

It's funny how you miss me
More than you could ever love me
Couldn't give me everything
And now you want it from me
Funny how it's different
Now that I got somebody
Yeah, it's funny

Sending a message through mutual friends
It's like I'm talkin' to you, usin' them
You heard I was happy and I heard you're not
I guess freedom didn't free you like you thought, ah

Last time I checked,
You're the one that left
Last words you've said
That you couldn't care less

It's funny how you miss me
More than you could ever love me
Couldn't give me everything
And now you want it from me
Funny how it's different
Now that I got somebody
Yeah, it's funny

Ooh, It's funny how you're calling
Couldn't answer if I wanted
His lips are on my lips
And both my hands are on his body
Funny how it's different
Now that I got somebody
Yeah, it's funny
Ooh

Who's laughing now?
Who's laughing now?
Who's laughing now?
Who's laughing now?
