Send My Love (To Your New Lover)

Jasmine Thompson

This was all you, none of it me
You put your hands all over my body and told me
Hmm-mm
Told me you were ready
For the big one, for the big jump
I'd be your last lov, everlasting you and me
Hmm-mm
That was what you told me

I've giving you up
I've forgiven it all
You set me free, oh

Send my love to your new lover
Treat her better
We gotta let go of all of our ghosts
We both know we ain't kids no more
Send my love to your new lover
Treat her better
We gotta let go of all of our ghosts
We both know we ain't kids no more

I was too strong, you were trembling

You couldn't handle the hot heat rising
Hmm-mm, baby I'm still rising
I was running, you were walking
You couldn't keep up, you were falling down
Down, baby, there's one way down

I'm giving you up
I've forgiven it all
You set me free, oh

Send my love to your new lover
Treat her better
We gotta let go of all of our ghosts
We both know we ain't kids no more
Send my love to your new lover
Treat her better
We've gotta let go of all of our ghosts
We both know we ain't kids no more

Gettin' over you
Oh-oh
