

# I'll Wait for You

Jason Aldean

These fields don't grow overnight  
This town wasn't built in a day  
I'll be turnin' that dirt when the sun comes up  
Goin' 'round in circles while that plane  
You're on takes you away  
Chasin' down that sun in L.A.  
Two thousand miles, it ain't that far  
Girl, wherever you are

I'll wait for you, I'll wait for you  
Find your way back, I pray you do  
I'll wait for you  
The August rain, the break of dawn  
Like anything worth countin' on  
Comin' through  
I'll wait for you

I'll keep the light on on the porch  
I'll keep the key under the mat  
Just in case I'm out there somewhere  
Tryin' not to lose my mind  
And you come back, I know, you gotta go  
And if you don't, girl, you'll never know  
And if you can't find what you want out there  
I'll be right here, ain't goin' nowhere

I'll wait for you, I'll wait for you  
Find your way back, I pray you do  
I'll wait for you  
The August rain, the break of dawn  
Like anything worth countin' on  
Comin' through  
I'll wait for you  
Oh, I'll wait for you

These fields don't grow overnight  
This town wasn't built in a day  
Some things you love are worth the wait  
Worth the wait

I'll wait for you, I'll wait for you  
Find your way back, I pray you do  
I'll wait for you  
The August rain, the break of dawn  
Like anything worth countin' on  
Comin' through  
I'll wait for you  
Oh, I'll wait for you  
I'll wait for you  
Oh, I'll wait for you, I'll wait for you
