

# I'm Just a Man

Jason Aldean

I'm a blue collar man, had a hammer in my hand,  
For the last few years of my life.  
Working double overtime while you sleep alone at night...  
Baby I know it's been a long hard ride.  
Sometimes I forget to say "I love you",  
But baby, please know that I do, yeah.

I live this life everyday,  
I make my share of mistakes,  
And every lesson I've learned, I've learned the hard way.  
I do the best that I can,  
And I hope you understand,  
After all, I'm just a man.

I found a postcard that you've saved, it's turned yellow with age,  
Of a beautiful place in the sun.  
We've been saying, every year, that we're gonna go there,  
And run away... just the two of us.  
Well, I put that picture back on your dresser,  
Grab my keys, I got to get back to work, yeah...

I live this life everyday,  
I make my share of mistakes,  
And every lesson I've learned, I've learned the hard way.  
I do the best that I can,  
And I hope you understand,  
After all, I'm just a man.

(Instrumental)

I live this life everyday,  
I make my share of mistakes,  
And every lesson I've learned, I've learned the hard way.  
I do the best that I can,  
And I hope you understand,  
After all, I'm just a man.  
After all, I'm just a man.  
That's all I am,  
Baby, I'm just a man.
