

# Let's Just Fall In Love Again

Jason Castro

Lets pretend baby  
That you've just met me  
And Ive never seen you before  
Ill tell all my friends  
That I think you're staring  
And you say the same to yours

And oh, well dance around it all night  
And then Ill follow you outside  
And try to open up my mouth  
And nothing comes out right

And I wanna fall in love with you again  
I don't have to try  
Its so easy  
Who needs to pretend?  
But because its so funny  
Lets just think about it, honey  
Lets just fall in love again

Ill call you in three days  
Not too soon, not too late  
And Ill ask your roommate if you're home  
You call me on Thursday  
And well hang out all day  
Then fall asleep on the phone

And oh, Ill hold your hand when we drive  
And well lose track of all the time  
And well tell everyone  
That we ain't never felt so alive

And I wanna fall in love with you again  
I don't have to try  
Its so easy  
Who needs to pretend?  
But because its so funny  
Lets just think about it, honey  
Lets just fall in love again

Well fall disgustingly fast  
And well stop hanging out with friends  
And they'll be so offended

And I wanna fall in love with you again  
I don't have to try  
Its so easy  
Who needs to pretend?  
But because its so funny  
Lets just think about it, honey  
Lets just fall in love again  
Lets just fall in love again
