

Back At One

Jason Chen

It's undeniable that we should be together
It's unbelievable how I used to say I'd fall never
The basis is need to know, if you don't know just how I feel
Well let me show you now that I'm for real
If all things in time, time will reveal
Yeah

One, you're like a dream come true
Two, just wanna be with you
Three, girl, it's plain to see that you're the only one for me
And four, repeat steps one through three
Five, make you fall in love with me
If ever I believe my work is done
I'll start back at one, yeah

So incredible the way things work themselves out
And all emotional, once you know what it's all about, babe
And undesirable for us to be apart
And ever would've made it very far
'Cause you know you've got the keys to my heart

'Cause one, you're like a dream come true
Two, just wanna be with you
Three, girl, it's plain to see that you're the only one for me
And four, repeat steps one through three
Five, make you fall in love with me
If ever I believe my work is done

Say farewell to the dark of night
I see the coming of the sun
I feel like a little child
Whose life has just begun
You came and breathed new life
Into this lonely heart of mine
You threw out the life line
In the nick of time

One, you're like a dream come true
Two, just wanna be with you
Three, girl, it's plain to see that you're the only one for me
And four, repeat steps one through three
Five, make you fall in love with me
If ever I believe my work is done
I'll start back at one
