

# Best Friend

Jason Chen

Do you remember when I said I'd always be there.  
Ever since we were ten, baby.  
When we were out on the playground playing pretend.  
Didn't know it back then.

Now I realize you were the only one  
It's never too late to show it.  
Grow old together,  
Have feelings we had before  
Back when we were so innocent

I pray for all your love  
Girl our love is so unreal  
I just wanna reach and touch you, squeeze you, somebody pinch me  
This is something like a movie  
And I dont know how it ends girl  
But I fell in love with my Best Friend

Through all the dudes that came by  
And all the nights that you'd cry.  
Girl I was there right by your side.  
How could I tell you I loved you  
When you were so happy  
With some other guy?

Now I realize you were the only one  
It's never too late to show it.  
Grow old together,  
Have feelings we had before  
When we were so innocent.

I pray for all your love  
Girl our love is so unreal  
I just wanna reach and touch you, squeeze you, somebody pinch me  
This is something like a movie  
And I dont know how it ends girl  
But I fell in love with my Best Friend

I know it sounds crazy  
That you'd be my baby.  
Girl you mean that much to me.

And nothing compares when  
We're lighter than air and  
We don't wanna come back down.

And I don't wanna ruin what we have  
Love is so unpredictable.

But it's the risk that I'm taking, hoping, praying  
You'd fall in love with your best friend

I pray for all your love  
Girl our love is so unreal  
I just wanna reach and touch you, squeeze you, somebody pinch me  
This is something like a movie  
And I dont know how it ends girl

But I fell in love with my Best Friend  
(2x)

I remember when I said I'd always be there  
Ever since we were ten baby.
