

Bittersweet

Jason Chen

Out of my mind, lost in a daze
It's like I'm dreaming wide awake
Feels like it's winter in a day
You're freezing, he drives me insane

I'm frozen but I'm melting
Whenever you leave me, she
It feels like summer time when you touch me
I feel the snowfall when you leave
It's so cold when you're not around me
Oh your love so bittersweet

It feels like summer time when you touch me
I feel the snowfall when you leave
It's so cold when you're not around me
Oh your love so bittersweet

It feels like summer time when you touch me
I feel the snowfall when you leave
It's so cold when you're not around me
Oh your love so bittersweet

We always go our separate ways
Tell me is this love or a walk of shame
It's just like spring in December
Your heart turns like the seasons change

I'm freezing and I'm melting
Whenever you leave me, she

It feels like summer time when you touch me
I feel the snowfall when you leave
It's so cold when you're not around me
Oh your love so bittersweet

It feels like summer time when you touch me
I feel the snowfall when you leave
It's so cold when you're not around me
Oh your love so bittersweet

It feels like summer time when you touch me
I feel the snowfall when you leave
It's so cold when you're not around me
Oh your love so bittersweet

Hey hey hey
so bittersweet...

It feels like summer time when you touch me
I feel the snowfall when you leave
It's so cold when you're not around me
Oh your love so bittersweet

It feels like summer time when you touch me
I feel the snowfall when you leave
It's so cold when you're not around me
Oh your love so bittersweet
