

Break Your Heart

Jason Chen

If you're gonna break my heart then
If you're gonna break my heart then

If I'm gonna leave ya
Girl, I'm going out with a bang (bang)
If you're gonna do me wrong then
I'ma, I'ma, I'ma do the same
If you think you can do the better
Then go for the new thing
'Cause I ain't tryna make you stay (uh)

I'm heading to the emergency exit (oh)
You made your choice so baby don't regret it

If that's what you wanted
Then I'ma be the one to gi-give it to you, you
If you're gonna break my heart
Then I'ma be the one to break your heart too, too

Say nuh, nuh nuh nuh, nuh nuh nuh, nuh nuh nuh, nuh
Nuh, nuh nuh nuh, nuh nuh nuh, nuh nuh nuh, nuh

You may think you're playin' me
But I know all about you and him (ha ah)
And it's cool with me baby
'Cause I'm [*moan*] all your friends (all your friends)
If you just treated me better
I wouldn't want revenge
And I don't mean to be so rude (hehe)
But I'd do them all again

I'm heading to the emergency exit (whoa oh oh oh baby)
You made your choice so baby don't regret it (no)

If that's what you wanted
Then I'ma be the one to gi-give it to you, you
If you're gonna break my heart
Then I'ma be the one to break your heart too, too

Sticks and stones may break my bones
Go on and leave; I'm moving on
Am I right or am I wrong?
I don't even really know
(Nuh, nuh nuh nuh, nuh nuh nuh, nuh nuh nuh, nuh)
Don't even know
(Nuh, nuh nuh nuh, nuh nuh nuh, nuh nuh nuh, nuh)
Oh baby, whoa oh

If that's what you wanted
Then I'ma be the one to gi-give it to you, you
If you're gonna break my heart
Then I'ma be the one to break your heart too, too
Whoa babe

(Nuh, nuh nuh nuh, nuh nuh nuh, nuh nuh nuh, nuh)
I've been so good to you
(Nuh, nuh nuh nuh, nuh nuh nuh, nuh nuh nuh, nuh)

I've been so good to you
But you wanna do me wrong

So I'ma do the same, hey
Eh yeah
