

# Cry Me A River

Jason Chen

You don't have to say what you did  
I already know, I found out from him  
Now there's just no chance for you and me  
There'll never be

You were my sun  
You were my earth  
But you didn't know all the ways I loved you, no  
So you took a chance  
Made other plans  
But I bet you didn't think that they would come crashing down

You don't have to say what you did  
I already know, I found out from him  
Now there's just no chance for you and me  
There'll never be  
Don't it make you sad about it

You told me you loved me  
Why did you leave me all alone  
Now you tell me you need me  
When you call me on the phone  
Girl I refuse  
You must have me confused  
With some other guy  
The bridges were burned  
Now it's your turn  
To cry

Cry me a river  
Cry me a river  
Cry me a river  
Cry me a river, yeah-yeah

Know that they say  
That some things are better left unsaid  
It wasn't like you only talked to him and you know it  
(Don't act like you don't know it)

All of these things people told me  
Keep messing with my head  
Should've picked honesty  
Then you may not have blown it

You don't have to say what you did  
I already know, I found out from him  
Now there's just no chance for you and me  
There'll never be  
Don't it make you sad about it

You told me you loved me  
Why did you leave me all alone  
Now you tell me you need me  
When you call me on the phone  
Girl I refuse  
You must have me confused  
With some other guy

The bridges were burned  
And now it's your turn  
To cry

Cry me a river  
Cry me a river  
Cry me a river  
Cry me a river, yeah-yeah
