

Drivers License

Jason Chen

I got my driver's license last week
Just like we always talked about
'Cause you were so excited for me
To finally drive up to your house
But today I drove through the suburbs
Crying 'cause you weren't around

And you're probably with that other guy
Who always made me doubt
He's so much older than me
He's everything I'm insecure about
Today I drove through the suburbs
'Cause how could I ever love someone else?

And I know we weren't perfect
But I've never felt this way for no one
And I just can't imagine
How you could be so okay now that I'm gone
Guess you didn't mean what you wrote in that song about me
'Cause you said forever, now I drive alone past your street

And all my friends are tired
Of hearing how much I miss you, but
I kinda feel sorry for them
'Cause they'll never know you the way that I do
Today I drove through the suburbs
And pictured I was driving home to you

And I know we weren't perfect
But I've never felt this way for no one
And I just can't imagine
How you could be so okay now that I'm gone
I guess you didn't mean what you wrote in that song about me
'Cause you said forever, now I drive alone past your street
