

Fetish

Jason Chen

Take it or leave it
Baby take it or leave it
But I know you won't leave it
'Cause I know that you need it, ah
Look in the mirror
When I look in the mirror
Baby I see it clearer
Why you wanna be nearer, ah

I'm not surprised
I sympathize
And I can't deny
Your appetite

You got a fetish for my love
I push you out and you come right back (right back)
Don't see a point in blaming you
If I were you, I'd do me too

You got a fetish for my love
I push you out and you come right back (right back)
Don't see a point in blaming you
If I were you, I'd do me too

Reaching your limit
Say you're reaching your limit
Going over your limit
But I know you can't quit it, ah
Something about me
Got you hooked on my body
Take you over and under and twisted up like origami, ah

I'm not surprised
I sympathize
And I can't deny
Your appetite

You got a fetish for my love
I push you out and you come right back (right back)
Don't see a point in blaming you
If I were you, I'd do me too

You got a fetish for my love
I push you out and you come right back (right back)
Don't see a point in blaming you
If I were you, I'd do me too

You got a fetish for my love
I push you out and you come right back (right back)
Don't see a point in blaming you
If I were you, I'd do me too
