

# Gift Receipt

Jason Chen

You say, you got the best gift for me  
Close my eyes and lead me to the tree  
Filled with Christmas presents and I scream in glee  
Can't wait to see what you got for me

First one... Extra large sweater but I'm only 5 feet  
Did you get a gift receipt?

All good, they'll work great as PJs, what's next let's see  
Macadamia chocolates, how about my peanut allergy?  
Did you get a gift receipt?

That's fine, high hopes for number 3  
A matte black hoodie? But my favorite color is pink...  
Did you get a gift receipt?

Got me hand churned ice cream, and the best coffee beans  
I'm lactose can't have dairy, and I don't drink caffeine  
Did you get a gift receipt?

It's the thought that counts and your math teacher failed miserably  
You're like Santa Claus if he knew nothing about me  
Always leave a gift receipt

Gift receipt, gift receipt, please leave a gift receipt  
Gift receipt, gift receipt, these gifts are great, just not for  
me
