

Little Do You Know

Jason Chen

Little do you know
How I'm breaking while you fall asleep
Little do you know
I'm still haunted by the memories
Little do you know
I'm tryna pick myself up piece by piece

Little do you know
I need a little more time

Underneath it all I'm held captive by the hole inside
I've been holding back for the fear that you might change your mind
I'm ready to forgive you but forgetting is a harder fight

Little do you know, I
Need a little more time

I'll wait, I'll wait
I love you like you've never felt the pain
I'll wait
I promise you don't have to be afraid
I'll wait
The love is here and here to stay
So lay your head on me

Little do you know
I know you're hurting while I'm sound asleep
Little do you know
All my mistakes are slowly drowning me
Little do you know
I'm trying to make it better piece by piece

Little do you know, I
Love you 'til the sun dies

Oh wait, just wait
I love you like I've never felt the pain
Just wait
I love you like I've never been afraid
Just wait
Our love is here and here to stay
So lay your head on me

I'll wait (I'll wait), I'll wait (I'll wait)
I love you like you've never felt the pain
I'll wait
I promise you
Don't have to be afraid
I'll wait
The love is here and here to stay
So lay your head on me
So lay your head on me
