

Love Never Felt So Good

Jason Chen

Baby, love never felt so good
And I'd die if it ever could
Not like you hold me, hold me
All right, baby, love never felt so fine
And I'd die if it's never mine
Not like you hold me, hold me

And the nights gonna be just fine
Gotta fly, gotta see, can't believe
I can't take it

'Cause, baby, every time I love you, in and out of my life, in
out, baby
Tell me, if you really love me, in and out my life, in out, bab
y
'Cause, baby, love never felt so good

Oh, baby, love never felt so fine
And I'd die if it was ever mine
Not like you hold me, hold me
Oh, baby, love never felt so good
And I'd die if it ever could
Not like you hold me, hold me

And the night through the thick and thin
Gotta fly, gotta see, can't believe
I can't take it

'Cause, baby, every time I love you, it's in and out my life, i
n out, baby
Tell me, if you really love me, in and out my life, in out, bab
y
'Cause, baby, love never felt so good

And the night that feels good
Gotta fly, gotta see, can't believe
I can't take it

'Cause, baby, every time I love you, in and out of my life, in
out, baby
Tell me, if you really love me, in and out my life, in out, bab
y
'Cause, baby, love never felt so good

It never felt so good, no
Never felt so good
It never felt so good, no
Never felt so good
