

# Money

Jason Chen

I'm lookin' at the Rollie, Rollie on your wrist  
We both know you just wanted to take a pic  
While you decked out in your Louis 'fit  
No religion, wardrobe full of Christian kicks, yeah (oh, no)

Paper doesn't make you wealthy (yuh, yuh)  
Cheddar doesn't keep you hungry (yuh, yuh)  
All the diamonds in the world can't shine  
Bright enough, bright enough

All the cash in the world can't buy romance or friends  
If it doesn't make dollars, it can still make sense

Head to toe in Gucci  
Steppin' out of the Bugatti (Bugatti)  
Still feel like something's missin'  
'Cause the best things in life are free

Money, money  
Money, money  
We don't need no money, money  
It ain't all about the Benjamins  
Money, money  
We don't need no money, money  
Money, money  
It ain't all about the Benjamins

Not a doubt (not a doubt)  
Not much I need to worry 'bout (yeah, yeah)  
Chillin' with my girl, watch the sun go down (oh, yeah)  
We don't need no green to throw a party now, oh-no-no-no

Don't need to be rich, can't afford trust issues  
Better to be broke than to have gold diggers  
It's the little things that make you laugh and sing  
Priceless memories are the real treasure

All the cash in the world can't buy romance or friends (real treasure)  
If it doesn't make dollars, it can still make sense

Head to toe in Gucci  
Steppin' out of the Bugatti (Bugatti)  
Still feel like something's missin' (something's missin')  
'Cause the best things in life are free

Money, money  
Money, money  
We don't need no money, money  
It ain't all about the Benjamins  
Money, money  
We don't need no money, money  
Money, money  
It ain't all about the Benjamins

All the diamonds in the world  
All the silver and the gold  
The mansions and the pearls

Still feel all alone  
You can't buy yourself the time (yeah, yeah)  
Can't pay for love tonight  
The world will sell you lies  
Can you afford the price?

Head to toe in Gucci  
Steppin' out of the Bugatti (Bugatti)  
Still feel like something's missin'  
'Cause the best things in life are free

Money, money  
Money, money  
We don't need no money, money  
It ain't all about the Benjamins  
Money, money  
We don't need no money, money  
Money, money  
It ain't all about the Benjamins
