

# Spend It All

Jason Chen

My bank account went negative today  
Don't have a penny to my name  
But my bills just keep going higher  
What happens if I just don't pay?  
What if I just keep on spending  
Don't have savings, I'll just keep borrowing  
Just spend it all, live like a king  
Then declare bankruptcy

Spend it all, spend it all  
What's the point in saving anymore?  
Spend it all, spend it all  
Live it up and then borrow more  
I don't care if they ask me to pay these crazy interest rates  
Wasn't planning to pay it back anyway

The American dream is a pyramid scheme  
The rich get richer, we just sink  
They print the money, we pay the price  
While we blame each other and believe their lies  
If you ever get sick, our health care is  
You better start a GoFundMe real quick  
Everything goes up except my pay  
Live it up and spend it all today

Spend it all, spend it all  
What's the point in saving anymore?  
Spend it all, spend it all  
Live it up and then borrow more  
I don't care if they ask me to pay these crazy interest rates  
Wasn't planning to pay it back anyway
