

# Tomorrow

Jason Chen

You're so close yet so far  
We knew it from the start  
Never had a plan  
Nothin' could hold us apart  
Been countin' down the days  
Till I could kiss your face  
Like three, two, one  
To you I'm ready to run

I would cross oceans to hold your hand  
Follow your footprints through the sand  
Wish I was there with you

I don't wanna wait a moment  
Don't make me wait till morning  
It's too long until tomorrow  
I need you in my arms today  
I cannot wait a second  
I cannot wait till morning  
It's been too long, I'm on my way  
Tomorrow's just too far away, yeah

Oh-oh-oh, oh-oh, oh-oh  
Oh-oh-oh, oh-oh, oh-oh  
Yeah, huh-uh-uh

Now that I'm here with you  
We had to leave so soon  
Can we just freeze time  
Or maybe hit rewind, oh-oh, oh-oh-oh

Hate to kiss you goodbye  
Wish that we had more time  
Don't wanna wait  
Tomorrow's too far away, oh, oh yeah

I would cross oceans to hold your hand  
Follow your footprints in the sand  
Wish I was there with you

I don't wanna wait a moment  
Don't make me wait till morning  
It's too long until tomorrow  
I need you in my arms today  
I cannot wait a second  
I cannot wait till morning  
It's been too long, I'm on my way  
Tomorrow's just too far away, yeah

Oh-oh-oh, oh-oh, oh-oh  
Oh-oh-oh, oh-oh, oh-oh  
Yeah, huh-uh-uh

Oh-oh-oh, oh, oh-oh  
Oh-oh-oh, oh, oh-oh  
Oh-oh-oh, oh-oh, oh-oh  
Tomorrow's just too far away

So don't make me wait  
No, no no no no no  
Don't make me wait babe  
I don't wanna wait
