

# Unexpectedly

Jason Chen

I've always been a man with a plan  
Always prepared never once to leave it to chance  
But it's all unscripted when I'm with you  
It seems familiar, yet it all feels so new  
All of the sudden I miss you  
Thinking about all of the things that we've been through  
Oh no it's not that I planned to  
But I think it feels like maybe I'm falling for you and me  
Just don't know  
Oh were we ever meant to be  
Suddenly, oh, you caught me so off guard  
We fell in love so unexpectedly, so unexpectedly  
I've known you for five years and a day  
Never once thought I'd have these words to say  
I wanna hold you and kiss you  
Til the end of time  
And when you're out of sight oh  
All of the sudden I miss you  
Thinking about all of the things that we've been through  
Oh no it's not that I planned to  
But I think it feels like maybe I'm falling for you and me  
Just don't know  
Oh were we ever meant to be  
Suddenly, oh, you caught me so off guard  
We fell in love so unexpectedly  
The one I'm searching for  
Was right here all along  
Now I see, I see you standing right in front of me  
The one I'm searching for  
Was right here all along  
How did we, we fall in love so unexpectedly  
Just don't know  
Oh were we ever meant to be  
Suddenly, oh, you caught me so off guard  
We fell in love so unexpectedly, so unexpectedly  
We fell in love so unexpectedly
